

Have you lost your housing? Are you at risk of losing your housing?

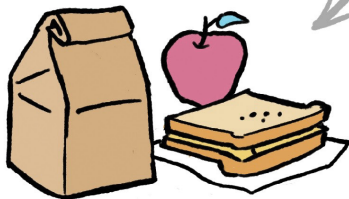

If your housing is unstable, and you have to move out of your neighborhood, your school district can help you keep your children in their home school or help you enroll in your new school right away. Schools can also help with:

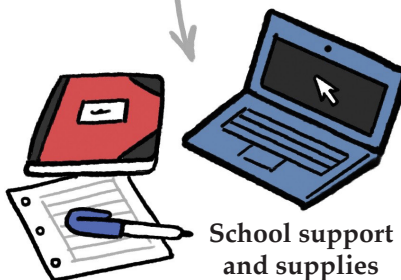

Transportation to a from school

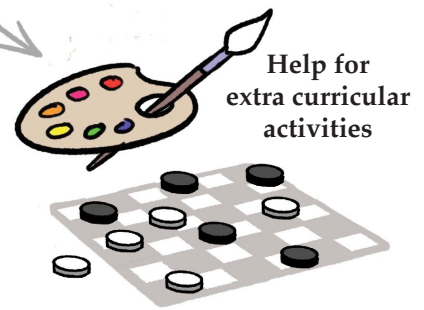

Access to school and health records

School meals and food support

School support and supplies

Help for extra curricular activities

Call your district's **McKinney Vento Liaison** to learn more.

Original design produced for the Longview School District with support from Building Changes and the Washington State Governor's Office of the Education Ombuds (OEO).
