

Washington State Governor's Office of the Education Ombuds (OEO)

The Washington State Governor's Office of the Education Ombuds (OEO) is an independent state agency that helps to reduce educational opportunity gaps by supporting families, students, educators, and other stakeholders in communities across WA in understanding the K-12 school system and resolving concerns collaboratively. OEO services are free and confidential. Anyone can contact OEO with a question or concern about school.

OEO listens, shares information and referrals, and works informally with families, communities, and schools to address concerns so that every student can fully participate and thrive in our state's public schools. OEO provides support in multiple languages and has telephone interpretation available. To get help or learn more about what OEO does, please visit our website: <https://www.oeo.wa.gov/en>; email oeoinfo@gov.wa.gov, or call: [1-866-297-2597](tel:1-866-297-2597) (interpretation available).
